OUR STORY IS THE STORY OF WHAT REALLY MATTERS

We are blessed to celebrate our 70th birthday this year. As we continue sharing this journey with you, we look forward to sparking your imagination. Cheers to creating more beauty together!

Our story is the story of beauty,
The eternal beauty, **THE BEAUTY**
that is in the eye of the beholder,
THE BEAUTY of people, flowers
and all in between.

It is about the inner beauty, as well
as **THE BEAUTY** you see from the
outside.

But above all, and beyond the
clichés, it is **THE BEAUTY** of
celebrating what really matters.

THE BEAUTY of dreaming and
daring to think differently,
THE BEAUTY of green thumbs,
THE BEAUTY of a new breed.
THE BEAUTY of being passionate
until we succeed.

THE BEAUTY of having honest and
long lasting relationships with our
customers and sharing a road to the
future.
